MEMORANDUM FOR: Office of Legislative Counsel

VIA: Deputy to the DCI for Resource Management

FROM:
Director, Office of Community
Information Systems

ST

SUBJECT: Office of Management and Budget -
Proposed Policy on Dissemination
of Technical Information

1. The subject proposed policy draft has come to my attention. Although it should be implied, the draft contains no exceptions as to technical reports containing classified information.

2. In order that no question should arise in the future, perhaps an amendment to paragraph 6(c) should be proposed which would add the following at the end: "except for technical reports containing classified information." The subparagraph would then read:

"Submit a bibliographic description of each technical report it prepares or sponsors to the NTIS and identify where and how each report can be obtained, except for technical reports containing classified information."
